THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI BANDARU DATTATRAYA): (a) No, Sir. the DDA has informed that provision for sufficient parking space has been made within the Pocket as per the prescribed norms previling at the time of planning / construction of these flats, *i.e.* 1.33 equivalent of car space per 100 sqm. of covered area.

(b) The terrace of these flats has been provided with 600 mm (2 ft.) high parapet wall. The terrace is not meant for general use by the residents. It is to be approached only for maintenance of overhead water storage tanks for which a steel staircase instead of a regular staircase has been provided. These measures were taken by the DDA to reduce the cost of construction.

(c) and (d) Question do not arise.

Supply of potable water in DIZ area of Gole Market

†456. SHRI ANIL SHARMA: Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state:

(a) whether it is a fact that residents of Sector-IV of DIZ area of Gole Market have to use saline water leading to adverse effect on their health;

(b) whether it is also a fact that an additional pipeline for supply of potable water was laid at heavy cost in all the quarters of Sector-IV two years ago;

(c) whether Government are considering to make arrangement for supply of potable water keeping in view the potable water problem of the people of this area; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI BANDARU DATTATRAYA): (a) The responsibility for supply of drinking water in sector-IV, DIZ area, Gole Market is that of the NDMC. However, as the supply from NDMC is inadequate, for the convenience of allottees water from tube-wells is being added. This may be leading to saline taste of water. However, no case of adverse effect on health, because of this, has come to the notice of this office.

(b) For the convenience of allottees, one additional connection was provided in the kitchen of each house for direct supply of water instead of

†Original notice of the Question was received in Hindi.

through over head tank. If adequate supply of water is made available by NDMC then each allottees will get potable water in his house.

(c) and (d) Responsibility for supply of potable water is that of NDMC. NDMC has approved a new pipeline for supply of potable water and has also installed water taps / hydrants on its water mains for the convenience of the allottees. Drinking water, is available from these outlets, to the residents of Sector IV, DIZ Area, Gole Market.

Utilisation of funds for poverty alleviation in Andhra Pradesh

457. DR. DASARI NARAYANA RAO : Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state:

(a) whether funds meant for urban poverty alleviation in Andhra Pradesh, constituting Central and State funds, are not being utilized to the desired level;

(b) if so, the reasons therefor and the details of fund utilization for the last three years, year-wise; and

(c) the action Government have taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI BANDARU DATTATRAYA): (a) and (b) No, Sir. The State Government of Andhra Pradesh has reported that 81% of the funds have been utilised so far under Swarna Jayanti Shahari Rozgar Yojana (SJSRY). The details of the funds utilised under SJSRY for the last three years are as under:—

(Rs. in lakhs)

Year	Central Share Released	State Share Released	Total Funds	Funds Utilised
Opening balance of SJSRY	—	—	4094.95	4094.95
1997-98	839.66	279.89	1119.55	14048,77
1998-99	1364.28	454.76	1819.04	1721.26
1999-2000	1398.08	466.03	1864.11	1229.75
2000-2001	1417.04	472.34	1889.38	767.98
